CHARTERED ACCOUNTANTS SA

Broad Based Black Economic Empowerment Exempt Micro-Enterprise verification certificate for A Level Four Contributor.

Certificate No: EME L4 / 016 / 25-08-2009

Hospivision (Section 21 Company)

Type of entity	Company (Section 21)
Registration No.	1999/012761/08
Address	Tshwane District Hospital, Dr Savage Avenue, Pretoria

We hereby confirm that Snijder & Associates Inc. are the auditors of the above mentioned company appointed from 27 Augustus 2004.

We completed our audit of the financial statements for the period ended 28 February 2009 on which we expressed a modified opinion on 14 July 2009. In common with similar organizations, it is not feasible for the association to institute accounting controls over cash collections from donations prior to initial entry of the collections in the accounting records. Accordingly it was impractical to extend our audit procedures beyond those receipts actually recorded.

In our opinion, except for the effect on the financial statements of the matter referred to in the preceding paragraph, the financial statements present fairly, in all material respects, the financial position of the company on 28 February 2009.

The audited financial statements of Hospivision for the period ended 28 February 2009, reflected an annual turnover/income less than or equal to R5 million.

Although the abovementioned is the current lever of turnover/income and is closely related to the economic indicators, turnover/income may be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels.

The beneficial members were identified as 0% black owned.

The entity is a Value-Adding Enterprise as defined in the Codes of Good Practice on Broad Based Black Economic Empowerment.
